1. Relationship trauma may result from:

- **Correct Answer: (d) Betrayal or abuse**
- **Page/Slide Number:** Page 45 (Lecture 4, Slide 45)
- **Slide Heading: Understanding the Impact**
- **Grounding:** The lecture explains that relationship trauma can result from betrayal, profound loss, or abuse, which can leave deep psychological impacts.

2. Avoidant individuals in relationships tend to:

- **Correct Answer: (c) Maintain emotional distance**
- **Page/Slide Number:** Page 6 (Lecture 1, Slide 6)
- **Slide Heading: Characteristics Of Avoidant Attachment Style**
- **Grounding:** Avoidant attachment is characterized by discomfort with closeness, emotional distancing, and preference for independence.

3. Which of the following is most important for maintaining a healthy work-life balance?

- **Correct Answer: (b) Time management**
- **Page/Slide Number:** Page 18 (Lecture 2, Slide 18)
- **Slide Heading: Balancing Personal and Professional Life**
- **Grounding:** The lecture states that efficient time management skills are crucial for maintaining a healthy work-life balance.

4. Setting healthy personal boundaries primarily helps in:

- **Correct Answer: (d) Preventing burnout**
- **Page/Slide Number:** Page 18–21 (Lecture 2, Slides 18–21)
- **Slide Heading: Setting Boundaries**
- **Grounding:** The lecture explains that setting boundaries helps protect personal life, while maintaining work-life balance helps reduce stress and burnout.

5. Healthy friendships are best characterized by:

- **Correct Answer: (c) Mutual respect**
- **Page/Slide Number:** Page 42 (Lecture 3, Slide 42)
- **Slide Heading: Final Thoughts**
- **Grounding:** The lecture states that healthy friendships are built on trust, empathy, and mutual respect.

6. Communication in a secure attachment relationship is generally:

- **Correct Answer: (d) Open and honest**
- **Page/Slide Number:** Page 4 (Lecture 1, Slide 4)
- **Slide Heading: Characteristics Of Secure Attachment Style**
- **Grounding:** Secure attachment is characterized by trust, emotional closeness, healthy independence, and open communication.
